Scan for move-in help

Before move-in

- ☐ **Confirm the destination address.**
  Have the final street address, apartment or unit, and the date you can give access.
- ☐ **Compare the transfer and new-service quotes.**
  Check eligible fiber, cable or 5G, the later monthly rate, equipment and setup costs.
- ☐ **Choose the other services you need.**
  Ask about DIRECTV channels and sports, home security permissions and mobile terms.
- ☐ **Confirm installation and equipment returns.**
  Get the provider's appointment and test the new connection before ending old service if possible.
